## **Garbage Collection in Alleys Resumed**

ROCKFORD – The garbage collection in all alleys within the City of Rockford have resumed today, Monday January 30, 2012 after being interrupted following a sequence of snow, ice and thaw events that made a limited number of alleys impassable or hazardous to navigate for garbage pick-up vehicles.

Residents should note that if your alley appears to be impassable, please place your garbage at the street side for pick-up. Rock River Disposal will be checking both the alley and the street for alley pick-up locations for the balance of the winter season.

For any questions or further information you may contact Rock River Disposal Customer Service at (815) 965-2489.
